ILBESHEIM – PFALZ

2022 Riesling Literwein

To us the Riesling grape is the great white grape variety of Germany. Due to its ability to reflect the characteristics of a vineyard site and due to its longevity, this variety rightly claims to be the finest white wine variety in the world. Our Riesling Gutswein grow on the ridges south of the winery. The estate wines are often the Preselection of high quality classified locations. Cool Winds provide fresh crispy wines in the result.
