TASTING NOTES

An intensely deep colour indicating the wine's concentration. Very bright. Great complexity on the nose thanks to the mix of varieties and vintages in the blend.

A wide range of aromas is revealed, from ripe fruit, such as blackberries, redcurrants and red berry fruits, to very well integrated notes of toast, cigar-box and spices coming from its time ageing in French oak barrels. It is fresh and unctuous on the palate with plenty of volume and good length of flavour. A wine which won't disappo.
