

Our wines are like siblings. They all share Chardonnay origins- they are similar, yet each has its own personality. Our wines are like you, like me- sometimes reserved or shy, sometimes flirtatious, high-spirited or laughing. They evolve and mature but never lie. They are authentic, in short, alive. Over vintages and time, they unveil their multiple facets. Love them simply for who they are and they will give back tenfold.

## POUILLY-FUISSÉ « LES PLESSYS »

THE PLESSYS! BEARING A CLIMATE NAME THAT evokes the one of a rich provincial notable, this Pouilly-Fuissé bears a comparison. At ease in all environments thanks to its voluminous attack on the palate intensified by beautiful aromas of ripe peach and roasted pineapple. Gifted with a long arm, just like its mineral finish, giving the whole a first-rate balance. Cut to face the most difficult palates without shaking in the face of a dozen armed snails in battle. The Plessys? Undoubtedly one of the most beautiful representatives of an appellation with a quiet strength.
