LE NATUREL 2022

---

**When the grapes play the main role.**

## ORIGIN

Le Naturel is our collection of wines without added sulfites, for which the key has been the totally natural, meticulous production, using a single ingredient: the grape. In this way we obtain a wine reflecting the vineyard of its origins with no artful devices.

At Aroa Bodegas, our DO Navarra winery, we are pioneers in the recovery of organic and biodynamic farming practices. There we elaborate all our wines with the minimum possible intervention, and the maximum respect for the fruit of the vineyards, located in the Yerri Valley, the highest and freshest area of the denomination. We are one of the few wineries in Spain with the Wineries for Climate Protection certificate granted by the Spanish Wine Federation.

## 2022 VINTAGE

*A very hot and very dry year, which brought the harvest forward by two weeks compared to the usual dates, and also meant that the grapes arrived at the time of harvesting in an exceptional state of health.*
