

DOMECO DE JARAUTA

BODEGAS

LAR DE SOTOMAYOR CRIANZA 2020

Origin

D.O.Ca. Rioja (Crianza)

Varieties

Tempranillo 100%

Vintage

Earlier bud break than usual followed by a rainy spring and a warm and dry summer. September came with a drop in temperatures which helped to retain acidity and freshness in the fruit.

Vineyard

A selection of plots of the property between 20 and 55 years old in Aldeanueva de Ebro and on the slopes of Yerga. The soil is clay-limestone, with a large amount of boulders, shallow, poor and composed of bedrock.

Winemaking

20 days of maceration in truncated cone-shaped stainless steel tanks at a controlled temperature. Subsequent MLF in tank.

Ageing

14 months in 225l American and French oak barrels. Subsequently 8 months in bottle.

Tasting notes

Cherry red color, deep with ruby tones. Fresh and clean nose, with notes of ripe fruit, cherries, raspberries and redcurrants, together with toast, vanilla and lactic notes. Pleasant on the palate, very fruity with silky tannins and balanced acidity. Spicy, mineral and intense.

ABV: 14%
